Please remember to attach the Part A
in the e-mail after pressing "send".

Title and acronym: _____

Principal Investigator: _____

Co-Investigators: _____

Contact Person: _____

Contact e-mail: _____

Key Objectives: _____

Geophysical Conditions Required: _____

Equipment Needed: _____

ESR

UHF

VHF

Heating

Passive

Primary Parameters to Measure:

Need for Simultaneous Data/Dependence on Other Equipment:

Existing Data Meeting Objectives:

Existing Data Closest to Objectives:

Participant Duties:

Facility Personnel Contacted:

Total Accounting Time Needed (hours):

When would you like the experiment to be run, time of year/day, particular time:

Financial Support (not radar time):

Is the study part of a thesis work?

Yes No

Are you expecting EISCAT staff to run the exp?

Yes No

Have you been awarded EISCAT PP time before? If yes, give references.

Yes No

Further summary details and background (e.g. dependence on other instrumentation, max 1 page):
